

Multilaser

by Stora Enso

Multilaser is a white totally chlorine free (TCF) office paper that is ideally suited for black and white printing but performs well also in colour.

PRODUCER
Nymölla Mill

Recyclable packaging materials

STORAGE AND HANDLING

- Store the paper in a humidity and temperature controlled area at 50% relative humidity and room temperature between 19°C and 23°C.
- If the paper is stored in non-air conditioned warehouse, it is absolutely necessary to allow a stabilisation period in the print room.
- Open the protective wrapping at the moment of use.
